

Farewell to Empire

- 1) How was Europe doing after WWII?
- 2) Who were the new Superpowers after WWII?
- 3) How was colonization in Australia different from how colonization played out in Africa or or Asia?
- 4) Every action has positive and negative effects. What were the 3 worst effects of colonization. What were 3 “positives” the resulted from colonization?
- 5) As China regained its strength, what path did it choose to rebuild? Who’s model did they follow?
- 6) Who was Gandhi? What impact did Gandhi have upon India.
- 7) What was special about Gandhi’s approach? How did this approach compare to George Washington’s or Napoleon’s?
- 8) As other countries gained their independence around the world, what struggles did they face?
- 9) What role did Europe play in reshaping the boundaries of this new world?
